Introduction

This Greek Vocabulary Builder ebook is designed to help you master the vocabulary of the Greek New Testament. After learning the basic grammar of the parts of speech (verbs, nouns, adjectives, pronouns, etc.), vocabulary is the most important content you must master in order to be able to read the New Testament easily.

In the past, the following word lists have been useful to students of New Testament Greek:

- Field, Clyde. *Practical New Testament Greek Vocabularies*. Mims, Fla.: self-published, 1997.
 Metzger, Bruce M. *Lexical Aids for Students of New Testament Greek*, 3d ed. Grand Rapids: Baker, 1997.
 Robinson, Thomas. *Mastering Greek Vocabulary*. Peabody, Mass.: Hendrikson, 1991.
 Trenchard, Warren. *The Student's Complete Guide to the Greek New Testament*. Grand Rapids: Zondervan, 1992.

The following word list was built off a word frequency count derived from *Bible Works 4.0* (Hermeneutica) that is a phenomenal electronic concordancing and exegetical tool for Windows PCs. The definitions were derived from multiple sources in consultation with *A Greek-English Lexicon of the New Testament*, 2d ed., by W. Bauer, W. F. Arndt, F. W. Gingrich, and F. W. Danker (Chicago: University of Chicago Press, 1979). The definitions were sifted through a pedagogical grid; that is, I chose meanings that could be easily remembered. Though such an approach is justified in a list intended to aid students in memorizing large amounts of vocabulary words, for exegesis and detailed semantic analysis of words, the lexicons and word books should be consulted.

The electronic “Flash card” program is based on this same list and is available on the *Mastering New Testament Greek* CD-ROM under “Greek Vocabulary Builder.” It will drill you interactively on each set of ten words, allowing you to show or hide the English or Greek and to hear the words pronounced.

I am committed to using the power of computers for the glory of God and the good of others in instructional contexts. It is hoped that this will provide an initial model of how digital tools can be harnessed in service of the proclamation of the good news that Jesus was the Son of God who died for our sins so that a good relationship with God and others could be established. The New Testament records the story of his life and the lives of his followers. This is the primary motivation for our wanting to learn Greek.

In Christ’s grace,
 Ted
